Life after death

What comfort does faith in the Resurrection bring you?

Looking beyond the veil of death is a natural human quest. In fact, we are different from the animals because we look beyond the limitations of our existence. Our search for immortality is not unlike our quest for the ultimate, God. For it takes us beyond ourselves and our universe into the great unknown. In this controversy with the Sadducees, Jesus combined belief in the afterlife with a belief in God. One was fused with the other. As some question to yourself. What have you been taught about the resurrection of the dead? What importance does this belief have in your life? Whom would you like to see in the next life? How would you like to see raised up and share in God's love?

Dates to remember.

9/11/22 The Dedication of the Lateran Basilica
10/11/22 Saint Leo the Great
11/11/22 Saint Martin of Tours
12/11/22 Saint Josephat
